

TEMPERATURE CYCLING CHAMBER**TYPE THC/CYCLONE/1000/-70/ME**

A powerful modern temperature/humidity cycling chamber for demanding applications.

Fitted with cascade plant for operation to -70°C.

Specification

	<i>W (mm)</i>	<i>H (mm)</i>	<i>D (mm)</i>
Internal dimensions	1000	1000	1000
External dimensions	2000	2400	1540
Temperature range	-70°C to +150°C		
Humidity range	Area "A" of graph		
Thermal ramp rate (loaded)	2°C/min average		
Load mass	50kg max		
Load dissipation	100 watts		
Airflow direction	Side to side		
Rated voltage	400VAC/50 Hz/3 phase + N		
Rated current	63A/ph		
Rated power	25 kW		
Nominal chamber weight	1400 Kg		

Features:

Adjustable product protection
Cable port 50mm diameter
RS485 comms
